

Baby Room Newsletter February 2018

Welcome to our new children / staff

We would like to welcome Ruaridh , Emily, Oliver , Ethan, Keir and Murray to the babyroom.

They are settling in very well and meeting new friends.

We would also like to welcome Melissa to our staff team in the babyroom.

What we will be doing...

During the month of Feb/March we will be focusing on Movement. There will be a variety of different activities in each area. We will be looking at moving objects , vehicles, how our bodies move through music and movement.

We plan to go on outdoor walks in the local community to look out for moving traffic.

Parental Involvement

Can you help us to collect a variety of different objects for our babyroom , jar lids, wine corks , old pots & pans , utensils , old bangles , scarves , material , ribbon and old cd's

Transitions

Transitions are ongoing between the babyroom and 2-3 room. As each child nears their 2nd birthday , keyworkers will meet to discuss start dates. A transition will then take place between both keyworkers and parents to start settling in.

Dates for your Diary:

Parents Night—Thursday 22nd Feb

Easter Weekend—Friday 30th March & Monday 2nd April
