Mugdock Country Park

Pre school children are invited to join us for a full day to Mugdock Country Park. The trips will take place on Tuesday 8th May and Thursday 10th May, Information regarding which trip your child is attending is available in the cloakroom area. Children are asked to bring a packed lunch, We will be looking for parent/carer helpers, if you are able to attend please write up your name in the cloakroom area.

Graduation

Our Pre-school children will be having a Graduation Ceremony on **Friday 22nd June** to celebrate their achievements before starting school in August. Information regarding times to follow. We ask if you could please provide a baby and toddler photograph of your child as part of a presentation which will be displayed on the day. This can be emailed to office@cleddens.e-dunbarton.sch.uk or hand in pictures to the office.

Over the next few months, those going to school will have many opportunities to explore school life. It is not always possible for children to visit the school they will attend; however all will be involved in trips to a variety of schools to watch shows, use the gym hall and visit the classrooms.

Graduation Photo

The photographer will be visiting the nursery on **Wednesday 9th May** to take photographs of the children who will be graduating. If your child does not attend this day, please see Michelle to arrange a time for their photograph.

Pre School parents evening

On Thursday 17th May there will be a parents evening for all Pre School children. Times will be displayed above each group's pegs in due course. This evening will run from 6 to 7:30 pm with 10 minute slots to discuss your child's progress.

Sun cream

As the nice weather slowly approaches we ask on appropriate days that children have sun cream applied before their session and staff will top up as required. In order to do this we also ask for a donation of £1 towards the purchase of sun cream. If you would rather your child used their own, please let your child's key worker know and ensure all bottles are labelled with your child's name.

Help From Home

We are looking for donations of old beach towels and pieces of material. Any donations would be greatly appreciated.

MATCH Day - Friday 15th June

You are invited to attend MATCH day where we would like to encourage the men in our lives to have a day at nursery. We have got lots of exciting projects for you to take part in alongside the children, such as gardening, path making, den making and small building projects. We are looking for you to come on the day armed with your tools and workwear. Refreshments will be provided and even a half time game of footie. Please note that this event is open to all.
